

WAGIN INTERCLUB COMPETITION 2024

Subject: **Go "Wild"**

Entries close: Monday, February 5, 2024

Wagin Camera Club, with the support of the Wagin Woolorama Committee, will host the twenty fifth Wagin Interclub Competition, entries for which close with last mail received on Monday, February 5.

Accepted entries will be on display at Wagin Woolorama 2024, on Friday and Saturday, March 8 and 9, at the Wagin Showgrounds. All entries will be judged and as many entries as possible will be hung.

This competition is open to clubs affiliated with the WAPF. The subject has been chosen to attract a variety of entries and it is anticipated superb images will again be received. Viewers of the exhibition will come from all walks of life with Woolorama attracting attendances of over 20,000 people over the two-day event.

AWARDS: A perpetual trophy, plus \$75 will be awarded to the club with the most points and a cash prize of \$100 to the photographer of the overall winning entry, \$50 for the photographer gaining second place and \$25 for individual third place. Prize money will be paid via EFT and winners will be asked for bank details.

Conditions of entry are:

SUBJECT:- **Go "Wild"** Prints only (colour or mono or a combination of both)

DEFINITION: **Capture an image of anyone, anything or anywhere that looks wild in any way.**

Note: The word "wild" must be incorporated in the title of each image.

- 12 prints per club, with a maximum of 2 per member. No individual entries.
- No time/date restriction on images.
- Mounting: For the protection of prints and ease of handling, all images must have a mat board window mount. Flush mounted prints will not be accepted. Mounts must be **black or white (no coloured mounts)**. Maximum size, including mount is 50cm x 40cm. Minimum **image** size: 20cm x 20cm square; 14cm x 25cm rectangular/panorama. Prints behind mat board window mounts **must have a protective backing board** but total thickness **must NOT exceed 5mm**. The mat and backing must be free of hooks, velcro, glue or sticky residue. Consider re-using your smaller mounts for A4 size images as the large 50x40 mounts reduce the number of prints which can be hung in the exhibition space. As many entries as possible will be hung.
- Titles: *Must contain the word "wild"*. Titles must not be visible from the front of the print. These details shall be shown on the back in the top left-hand corner and include the author's name, title of print and club. Images cannot be watermarked or logo embedded.
- Prints entered in a previous Wagin Woolorama or Woolorama Interclub are ineligible. The committee reserves the right to refuse an entry if deemed unsuitable for exhibition.
- Packing: All entries should be packed securely, even if hand delivered, as packing will be used for the return of the entries. Australia Post Tough Bags work well and reduce mailing costs.
- Loss or Damage: All care will be taken in handling entries but the club does not accept responsibility for any loss or damage thereto.
- Entry Fee: \$25.00 per club. **Bank details: Note change: nab BSB 086-948 A/c 322305894.** Please also include **return postage** (stamps accepted however must not be international stamps, as these do not include GST). Pre-paid Australia Post "stickers" are **NOT** acceptable as these do not show the true mailing office for return postage nor the correct date so therefore (we are told) are illegal and will not be accepted by Wagin Post Office for return mail.
- Wagin Camera Club may seek to hold your prints for review at its meeting on March 19.
